RIBOLDI

KITCHEN & INTERIORS

» Excellence in the kitchen... and throughout the home.

For over forty years, Riboldi Kitchen has been designing and creating high-quality kitchens in Varese, extending its expertise to the design of complete domestic environments: from living spaces to bedrooms, and even home offices.

» Our Philosophy Each project is truly one-of-a-kind.

By collaborating closely with skilled local artisans, we go beyond standard industry solutions and offer made-to-measure proposals. This approach allows us to meet every client's needs with attentive, personalized service and exceptional tailor-made results.

» Our Mission

We are committed to achieving the perfect balance of quality, aesthetics, and functionality.

With over forty years of experience, we select only top-tier materials and innovative solutions to create projects where timeless style meets enduring excellence.

» A history of passion and quality

Rooted in family tradition and driven by a genuine passion for design, our company is dedicated to the ongoing pursuit of cutting-edge products and solutions. We collaborate with renowned brands in the kitchen sector—including SieMatic, Snaiдерo, and Marchi Cucine—as well as leading appliance manufacturers and innovative furnishing brands, ensuring excellence throughout every corner of the home.

» Showroom and personalization

Our two showrooms in Varese showcase environments with strong aesthetic and functional impact, featuring a wide selection of accessories to personalize every detail of your home. Alongside this, we design and create custom furnishings for contract spaces and offices, ensuring tailored solutions for both residential and professional settings.

Riboldi Kitchen & Interiors:

Excellence Makes the Difference

01 ▸ Specialization in Kitchens and Interiors

The kitchen is the heart of the home and the most complex and technically demanding design environment. But our expertise extends beyond the kitchen; we furnish every room with the same meticulous care, offering 120% personalization to create a perfectly coordinated and bespoke home.

02 ▸ Guaranteed Quality and Durability

We use only premium materials, combining modern innovation with timeless elegance to create beautiful, functional spaces built to last. Our commitment to quality ensures that every project withstands the test of time, maintaining both performance and aesthetic appeal.

03 ▸ Flexible Design

Our design approach is extremely flexible, allowing us to adapt every environment to the unique tastes and needs of each client.

04 ▸ No Limits to Dreams

Every project is like a tailored suit: created based on the client's specific needs and desires, with no limits to personalization.

05 ✎ Quality Brands and Artisan Collaborations

We offer an exclusive selection of solutions from the finest brands, tailored precisely to each project's unique needs. Our approach seamlessly blends premium brand elements with custom creations, thanks to long-standing collaborations with local artisans. This synergy enables us to deliver unique, bespoke, and handcrafted solutions that elevate every space.

06 ✎ Decades of Experience since 1984

With over 40 years of expertise, we bring comprehensive knowledge and passion to every project, guiding our clients expertly at every stage—from initial design to flawless execution.

07 ✎ Problem Solving and Technical Expertise

With decades of experience, we excel in tackling complex and ever-evolving challenges. Our deep technical knowledge allows us to devise innovative solutions tailored to even the most unique client requests, ensuring exceptional results.

08 ✎ Qualified In-house Installation

Our dedicated in-house installation team guarantees precise and high-quality setup, ensuring meticulous attention to detail. From design through to realization, we maintain consistent excellence that matches the chosen standards of quality.

09 ✎ Continuous After-Sales Service

We offer long-term support, providing after-sales assistance for updates and modifications, even years after the initial project completion.

10 ✎ Collaboration with Construction Teams

We work seamlessly and directly with architects and construction teams, fostering open communication and coordinated efforts. This close collaboration ensures efficient progress and guarantees optimal results—saving our clients time and energy.
